

Ben Shair Award Dinner

Don't miss this year's Dr. Bernard Shair Award dinner to be held on **Thursday, March 10, 2011** at The University of Scranton's Brennan Hall, Room 509 ("The Rose Room"). Brennan Hall is on the 300 block of Madison Avenue. On-campus, complimentary parking is available at the parking pavilion, 820 Mulberry St. on the roof. There will be no charge for any cars parked on this level.

The Ben Shair award is a cash gift funded by the SDDS and an endowment fund founded by the family of Dr. Bernard Shair (who passed away in

1982) and administered by the Scranton Area Foundation. It is presented to a University of Scranton student who has been accepted by a dental school and shows tremendous promise in the field of dentistry. The student is one who gives the greatest promise of a lifetime of service to dentistry and community—a lifetime of dedicated professionalism, humanitarian concerns and social welfare service, as exemplified by Dr. Shair.

If you plan on attending, please contact Dr. Matthew A. Zale by calling 383-5300 or emailing gumdoctor06@yahoo.com.

The Gavel Is Officially Passed

Dr. Todd Angelo was officially sworn in as SDDS President during February's meeting, replacing Dr. Mark Giallorenzi, who had a very successful year as the Society's 90th President.

Dr. Todd M. Angelo was born and raised in Pittsburgh, PA. He attended the University of Pittsburgh, where he received his Bachelors of Science in Psychology. He continued his education at the University of Pittsburgh School of Dental Medicine, earning his Doctor of Dental Medicine in 2001 and Certificate in Orthodontics in 2004. During his studies, he served as President of the Blue and Gold Ambassadors Club, and was elected to the prestigious honor society Omicron Kappa Upsilon.

In 2006, Dr. Angelo successfully completed his requirements for Board Certification by the American Board of Orthodontics. In 2007 he joined the practice of Dr. J. Anthony Quinn and John Mariotti in Scranton.

Dr. Angelo is currently a member of the American Dental Association, The American Association of Orthodontists, The Pennsylvania Dental Association, The Mid-Atlantic Society of Orthodontists, and the American Board of Orthodontics.

NCDHM Enormous Success!

Congratulations to all who worked hard on this year's National Children's Dental Health Month, especially Co-Chairs Doctors Jessica Falk and Stephanie Hanyon.

The month was filled with exciting events, including Tooth Fairy Day at the Children's Library, Keyser Ave. McDonald's Day, and Tunkhannock McDonald's Day, as well as numerous visits to area schools, day cares, and assisted living centers. Media attention for the events was at its height this year as several area media outlets covered our events.

For more specific information on that, see the sidebar story!

The Children's Library had one of their busiest "Tooth Fairy Days" ever. Over 80 kids attended to hear Dr. Hanyon speak on good dental health and meet the Tooth Fairy.
