Fall 2021

SDDS Donates to The Arc-NEPA at Annual Golf Tourney

To demonstrate our continued thanks to The Arc-NEPA (The Arc), the Scranton District Dental Society (SDDS) donated proceeds from the annual golf tournament to this worthwhile organization. Doctors Thomas Langan Jr., Jessica Falk, Samantha Abod, Alphonse Matrone, Darleen Oleski, and William Dempsey presented them with a check for \$2,000 during the close of the tournament at the Scranton County Club on June 23, 2021. This is the one of three donations to support The Arc for their continued dedication to assisting the SDDS with National Children’s Dental Health month.

“The Scranton District Dental Society has had a wonderful relationship with The Arc for decades. We enjoy partnering them during National Children’s Dental Health Month each February, as they assist us by filling thousands of

President's Letter

Hello everyone!

I hope you all are enjoying your Summer. Our SDDS annual golf tournament was held on June 23, and was a great success. I would like to thank Al Matrone for his efforts in putting the event together at The Country Club of Scranton. This year we added "hole in one" insurance to the event, and although no one made one, it added a nice competitive wrinkle to the event. In the future we will put together a small golf tournament committee to offset some of the work from just a few members, and continue to grow our outing.

At the golf tournament, we were able to give our annual donation

of \$2000 to Arc. We are happy to be able to continue to help Arc with our donation, and they are appreciative of our efforts as well.

Also at the tournament, we were able to present the award for our Dr. Bernard Shair Award, and Dr. Todd M. Angelo Memorial scholarship. Peter Heckman won both awards, and he was well deserving of both. Peter will be attending Temple University Kornberg School of dentistry in the Fall. Wishing Peter the best in dental school and moving on from the University of Scranton.

We plan to resume in person meetings in the Fall. The schedule is still fluid, but we will monitor closely and decide as the dates get

closer. If anyone has any questions, comments, concerns please feel free to contact me. Enjoy the rest of the Summer!

Sincerely,

Thomas Langan Jr.

Dr. Bernard Shair Award and Dr. Todd M. Angelo Memorial Scholarship Winner Announced

Dr. Thomas Langan, SDDS President; Dr. Jessica Falk, SDDS Treasurer; Maria C. Pacyna; Peter Heckman, winner; Colleen A. McGoff, mother; Dr. Samantha Abod, Third District Dental Society President; and Dr. Darleen Oleski, SDDS.

The Scranton District Dental Society is pleased to announce that it has selected Peter Heckman as the 2021 recipient of both the Dr. Todd M. Angelo Memorial Scholarship and the Dr. Bernard Shair Memorial Scholarship Award.

The Dr. Todd M. Angelo Memorial Scholarship is a cash gift funded by the SDDS, The Scranton Area Foundation, and private donations in memory of Dr. Todd Angelo who suddenly passed away in November 2011. The scholarship is administered by the Scranton Area Foundation and presented to a University of Scranton student who has been accepted by a dental school and who shows tremendous promise in the field of dentistry. This award serves as a reflection of Todd's dedication, service and love of dentistry.

The Dr. Bernard Shair Memorial Scholarship Award is a cash gift funded by the SDDS and an endowment fund founded by the family of Dr. Bernard Shair (who passed

away in 1982) and administered by the Scranton Area Foundation. It is presented to a University of Scranton student who has been accepted by a dental school and shows tremendous promise in the field of dentistry.

Peter Heckman graduated from the University of Scranton in May 2021 with a Bachelor of Science degree in biology and a minor in biochemistry. A resident of Clarks Summit, Pennsylvania, Heckman was a member of Alpha Sigma Nu (Jesuit Honor Society), Pre-Dental Chair of Health Professions Organization (HPO), treasurer of Ready, Set, Brush! (a community outreach program to young students about the importance of oral care), and president of the Fencing Club.

Heckman has volunteered with University Community Engagement as a club officer where he offered assistance to various on-campus service events, including book fairs conducted by the Weinberg Memorial Library, a yearly Safe Trick or Treat event, and semesterly Street Sweep events.

He has also participated in service retreats conducted by Campus Ministries and served as a teacher's assistant in the general biology lab.

Heckman enjoys spending time with family, reading, drawing, learning to play the guitar, playing sports (intramural volleyball, club fencing, pickup basketball), and listening to music. He is attending Temple University School of Dentistry.
